RETEL 1594.

COAS/OS Oct 23 Resolution not limited removal threat from missiles but includes all measures deemed necessary ensure Cuba cannot continue receive military material and related supplies which may threaten peace and security continent. It specifies no limit of time and remains in effect unless or until rescinded by COAS/OS. We believe its language sufficiently broad authorize further action which may be necessary deal with possible continued receipt of as well as removal any existing offensive weapons. We do not at present plan propose RFA. Under resolution COAS continuing serve as JC and has discretionary authority take further action if circumstances require.
